

Mercer County

Total Population 15,779
 Total Population Under 18 3,381

[AIAN = American Indian/Alaska Native; NHPI=Native Hawaiian/Other Pacific Islander]
 ***** A margin of error is not appropriate because the corresponding estimate is controlled to an independent population or housing estimate. Effectively, the corresponding estimate has no sampling error and the margin of error may be treated as zero.

The U.S. Census Bureau asks questions of race and ethnicity separately. Thus, the total of the individual categories may be higher than the "Total Population Under 18" figure.
